

## Search for family members and family reunion

You have been separated from your family due to:

- Armed conflicts
- Wars
- Catastrophes
- Escape and migration
- Relocation and resettlement
- World War II

Our service is to help finding missing relatives and to get in contact with your loved ones.

### International search

With the support of the international tracing service network, we can help you to find your missing relatives.

Since 2013, refugees in Europe can search for their family members with a photograph via the website [www.tracetheface.org](http://www.tracetheface.org) by the ICRC. Please contact us if you want to upload a photograph.

Stand 01.11.2025

### World War II

Would you like to clarify the fate of a missing relative? Perhaps the GRC Tracing Service can answer your tracing request for a missing Wehrmacht soldier or displaced civilian from your family.

## Family reunion

The tracing service of the German Red Cross (DRK) with its tracing service counselling centres as well as the tracing service basis centres offer extensive services for late resettlers and refugees.

### Late resettlers/Spätaussiedler

We offer advice for you and your family members concerning the **Federal Expellee Law**, the **Residence Law** and the **Citizenship Law**.

### Refugees

We offer advice concerning the legal requirements of **family reunifications** in Germany and support you during your visa application procedure.

You can share **Red Cross Messages** through the global network of the Red Cross, if other forms of contact (telephone, E-Mail, Social Media or letters) are not possible.
