

## Search for family members and family reunion

Because of:

- Armed conflicts
- Wars
- Catastrophes
- Flight and migration
- Relocation and resettlement
- World War II

You have been separated from your family due to armed conflicts, flight, or migration? We can help you to get in contact with family members.

### International search

With the help of the international tracing service network, we can help you with the worldwide search of family members. We are happy to take on your search query!

Since 2013, refugees in Europe can search for their family members with a photograph via the website [www.tracetheface.org](http://www.tracetheface.org) by the ICRC. Please contact us if you want to upload a photograph.

Stand 13.04.2022

### World War II

Research and clarifications of fate of missing family members.

### Family reunion

The tracing service of the German Red Cross (DRK) with its tracing service counselling centres as well as the tracing service basis centres offer extensive services for late resettlers and refugees.

### Late resettlers/Spätaussiedler

We offer advice for you and your family members concerning the **Federal Refugees Act**, the **law on residence** and the **citizenship law**.

### Refugees

We offer advice concerning the legal requirements of **family reunifications** in Germany and support you during your visa application procedure.

You can share **Red Cross Messages** through the global network of the Red Cross, if other forms of contact (telephone, E-Mail, Social Media or letters) are not possible.
